Smalley Recognized by General Motors Supplier Quality Award Received

Wednesday, October 21, 2016
Lake Zurich - IL

For the fourth year in a row, Smalley has received the prestigious GM Supplier Quality Excellence Award. Smalley is one of only eighty powertrain suppliers to receive the award four years in a row.

"Smalley's commitment to Quality, Service and Deliverability are what drives the organization to produce the best retaining rings and wave springs in the world," states Gina Dolan, Smalley's Quality Assurance Manager.

"Receiving this award again is a testament to our employees' total engagement and commitment to ensuring complete customer satisfaction" continues Dolan.

For over 50 years, Smalley has remained committed to quality. As Smalley continues to push the envelope of coiling technologies to expand our product range we remain focused on delivering engineered solutions to our customers.

Smalley Steel Ring Company meets international standards of excellence, including ISO 9001, ISO/TS16949, AS9100, and ISO 14001. Their world headquarters and manufacturing facility is located in Lake Zurich, Illinois, northwest of Chicago. To find out about the latest product developments, subscribe to Smalley's new quarterly newsletter, follow them at your favorite Social Media outlet, or visit: www.smalley.com.
